DECLARATION OF PAUL A. STONE
UNDER 37 C.F.R. §1.132

I, Paul A. Stone, hereby declare as follows:

1. I am Vice President and Chief Patent Counsel at Symyx Technologies, Inc., 3100 Central Expressway, Santa Clara, CA 95051. I own Symyx common stock and receive stock options as part of my compensation at Symyx.

2. I have reviewed the claims pending in the above-identified instant patent application, and I make this declaration to demonstrate common ownership between the inventions defined by the claimed methods of the above-identified application, and the subject matter of co-pending U.S. Serial No. 09/607,535 to Guan *et al.*.

3. I graduated from the University of Wisconsin, Madison, in 1985 with a BS degree in chemical engineering. I graduated from the University of Wisconsin Law School, Madison, Wisconsin, in 1995 with a J.D. degree. From 1995 to late 1998, I worked as an associate attorney at Senniger, Powers, Leavitt & Roedel, an intellectual property law firm in St. Louis, Missouri. I have worked as an attorney at Symyx since December, 1998 until present.

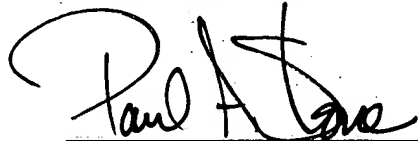

4. At the time of the invention defined by the claims of the instant patent application:
(i) the subject matter of the instant patent application was owned by or subject to an obligation of

assignment to Symyx Technologies, Inc.; and (ii) the subject matter of the referenced application, copending U.S. Serial No. 09/607,535 to Guan *et al.*, was owned by or subject to an obligation of assignment to Symyx Technologies, Inc.

5. Attached hereto are copies of the assignments of both the instant application and the referenced application, demonstrating ownership thereof as being vested with Symyx Technologies, Inc.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that the statements herein were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the above-identified application or any patents issuing thereon.

Date: Sept. 19, 2003

Paul A. Stone
